

XT5

XT5

DARE GREATLY

Beauty can manifest itself into many different forms.  
It can delight and satisfy the eye.  
Move and comfort the body.  
Shape space and versatility.  
Beauty is not simply in the eye of the beholder.  
It is also to be held. Handled. Transformed.  
With effortless style, grace and elegance,  
beauty like this is a joy that can be felt forever.

*THE 2019 XT5*

## BEAUTY SHAPED TO MOVE

The 2019 XT5 intrinsically melds the look of high fashion with everyday needs. From a bold design aesthetic, to an ingenious cabin that is as spacious as it is versatile, to a striking stance, the Cadillac XT5 is ready to accommodate.

When you step inside the XT5, you will see terrific design cues that feature a wide dash to host cutting-edge technologies with timeless craftsmanship. Wood, leather appointments and other materials have been chosen and fitted with a care reminiscent of fine tailoring.

**Lamps so artful, they're signed.** The Cadillac front and rear light systems offer available advanced LED technology with brilliant illumination. The headlamps and taillamps are etched with the detail of the signature Cadillac Crest.

**Elegance abounds.** With a hand-stitched steering wheel and dashboard, along with cut-and-sewn seating surfaces, each of the available interior combinations has been carefully curated. Uniquely colored available leathers and custom stained exotic woods are paired for a rich yet understated feel. Wherever you are going, arrive in style.

# 1784 LITER<sup>1</sup> OF MAXIMUM POSSIBILITY

Rear seats with 40/20/40 folding flexibility slide and recline, revealing an ingenious available Cargo Management System that can be stowed away until it is needed. The result is beauty, comfort and utility.

<sup>1</sup> Cargo and load capacity limited by weight and distribution.

## REAR CAMERA MIRROR

**More field of view to admire.** Cadillac's innovative available Rear Camera Mirror can stream video through the rearview mirror. This less-obstructed view offers the driver up to 300 percent more field of view than the conventional mirror, but can revert to the standard view with just a toggle.

You can clearly see the additional visibility and expanded view of what is directly behind the vehicle with the Rear Camera Mirror (A) compared with the traditional rearview mirror (B).

# EFFORTLESS BEAUTY. FROM EVERY ANGLE.

Nestled in each far corner are stunning available LED headlamps with available Front Cornering Lamps. They emit a crisp, white light, providing illumination superior to traditional lighting. Available Illuminating Door Handles create a beacon as you approach the vehicle, while available 20" wheels make a stylish statement.

From the rear, bold signature LED taillamps showcase the dramatically sculpted rear profile. Integrated roof rails visually reinforce strong lines, and when paired with available crossrails, they create an additional option to carry cargo.

COMFORT & CONVENIENCE

The feel of the XT5 interior is one of absolute elegance and amenity. It will immerse you in cutting-edge technologies and timeless craftsmanship. Available wood, leather appointments and other authentic materials have been chosen and fitted with care. And the advanced Cadillac user experience<sup>1</sup> puts a suite of information and entertainment offerings at your command.

Standard with Premium Luxury and Platinum, the available Tri-Zone Climate Control allows the driver, front passenger and rear passengers to adjust the temperature to their choosing. Plus, warm up with available heated rear outboard seats.

All is revealed with an available UltraView sunroof that serves you and your passengers stunning view spans from both the front and rear seats. The glass is tinted with UV sun-ray protection, while a power sunshade opens and closes with the push of a button.

DIAGONAL CADILLAC USER  
EXPERIENCE SCREEN

1. Cadillac user experience functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices.

Top left: Authentic cabin materials. Top right: Spacious and versatile rear seats. Bottom left: Ventilated front seats. Bottom right: UltraView sunroof.

You'll find innovations throughout the XT5 that keep you, your world and your vehicle fully integrated. Take for instance Adaptive Remote Start. Designed within your key fob, it engages the engine from up to 92 meters away and can sense the outside temperature to heat your steering wheel, if equipped, and activate the rear-window defogger when needed. Also, when you plug in your iPhone®, you will have access to Apple Music,<sup>1</sup> Siri® and other information as a part of Apple CarPlay.<sup>TM1</sup>

With Keyless Access, you can unlock the doors without removing the key fob from your pocket or handbag. It also works in reverse, automatically locking the doors when you exit the vehicle. Available Surround Vision<sup>2</sup> provides a bird's-eye view of the area immediately surrounding the vehicle when in low-speed Drive or Reverse. This view, projected onto the Cadillac user experience screen, helps increase your awareness when parking.

<sup>1</sup> Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay is a trademark of Apple, Inc. Siri, iPhone and iTunes are trademarks of Apple, Inc., registered in the U.S. and other countries.  
<sup>2</sup> Read the vehicle Owner's Manual for important feature limitations and information.

# SURROUNDED BY AVAILABLE SAFETY INNOVATIONS

## PARKING PERFECTED

Available Front and Rear Park Assist systems can sense stationary objects when you're parking, warning you if you come too close. When in Reverse, the Rear Vision Camera automatically displays a live image of the area behind you on the Cadillac user experience screen. Guidelines plot your intended trajectory, helping you see people and objects that might be in your path.

## HELP KEEP AN EYE ON PEDESTRIANS

Front Pedestrian Braking, available as part of the Driver Awareness Package, uses a camera to scan the road ahead. If a pedestrian is detected, the system alerts the driver and, if necessary, applies the brakes to help avoid or reduce the severity of a potential collision.

## AN INTELLIGENT WIPER

Available Rainsense Wipers automatically engage when rain is detected, adjusting their speed to the rain's intensity. Whenever the wipers are activated, available Auto-Dry brakes automatically position the brake pads closer to the rotors to sweep away moisture and improve performance.

## TRULY FORWARD THINKING

Available Forward Collision Alert monitors traffic ahead, alerting you if a potential collision with a detected vehicle is imminent, while the

available Following Distance Indicator shows the following time to the vehicle ahead (in seconds) in the Driver Information Center (DIC).

## BE ALERTED EVEN IN REVERSE

When backing out of a parking space, available Rear Cross Traffic Alert can warn you of oncoming cross traffic to either side of your vehicle.

## TRAVEL THE STRAIGHT AND SMART

Using monitors to sense lane boundaries, available Lane Keep Assist can gently turn the steering wheel if the system anticipates the vehicle is leaving the lane unintentionally or without using your turn signal. Working in conjunction with the available Safety Alert Seat, available Lane Departure Warning shows a visual alert in the cluster and sends a warning pulse through the seat cushion when your vehicle crosses the detected lane marking.

## AN ATTENTION-GRABBER

Available Lane Change Alert with Side Blind Zone Alert surveys the area well beyond the side blind zone and illuminates the side-mirror warning icon to alert you of a rapidly approaching vehicle. Available Side Blind Zone Alert monitors your blind zones, so if a moving vehicle is in the adjacent lane, it also illuminates the side-mirror icon. In both cases, if you've activated your turn signal toward the detected vehicle, the icon on the side mirror will flash to alert you.

## GAIN PRECIOUS TIME

Up to certain speeds, available Forward and Reverse Automatic Braking can sense imminent forward and reverse collisions and automatically engage the brakes, if you have not already done so, helping to reduce the severity of the collision. The system may even help avoid a collision at very low speeds.

## SET YOUR SPACE

Available Adaptive Cruise Control-Advanced employs front radar technology to maintain a selected distance between you and the detected vehicle ahead.

## GRABS YOUR ATTENTION. SUBTLY.

Cadillac's available patented Safety Alert Seat sends a discreet pulse, instead of an audible alert, to the left, right or both sides of the driver's seat, indicating the direction of the threat—left, right, front or rear.

## A HIGHER LOOK AT WHAT SURROUNDS

Available Surround Vision provides a bird's-eye view of the area immediately surrounding the vehicle when in low-speed Drive or Reverse. This view, projected onto the Cadillac user experience screen, helps increase your awareness during low-speed maneuvering.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

# POWER FOR WHAT'S APPROPRIATE

You will immediately notice a feeling of confidence, responsiveness and awareness with available Real-Time Damping behind the wheel of the XT5. The transmission seamlessly employs eight gears to infinite advantage. The powerful engine activates or deactivates cylinders as performance and efficiency demand. And the AWD system directs torque to the wheels that will use it best. The XT5 is an automobile that makes driving a singular delight.

The 3.6L V6 engine delivers 310 hp and 366 Nm of torque. Statistics tell only part of this advanced power plant's exciting story. It is also equipped with intelligent technologies such as Active Fuel Management and Cadillac's Auto Stop/Start feature. The former deactivates engine cylinders when less power is needed. The latter automatically stops and starts the engine when the vehicle is stopped in traffic. Both promote greater efficiency and all-around driver satisfaction.

Standard All-Wheel Drive (AWD) delivers an engaging driving experience. The standard twin-clutch AWD system enhances driver launch performance and cornering, especially in adverse weather conditions.

## FEATURES AND OPTIONS

### 2019 XT5 STANDARD FEATURES

#### DRIVETRAIN

- 3.6L Direct Injection V6 VVT Engine** 310 hp and 366 Nm of torque @ 6600 rpm with Automatic Stop/Start
- All-Wheel Drive**
- Transmission** 8-speed automatic

#### CHASSIS AND SUSPENSION

- Brakes** 4-wheel vented disc with anti-lock braking system (ABS); featuring Auto-Dry, Hill Start, Ready Brake Alert and Brake Assist
- Electronic Parking Brake**
- Front and Rear Park Assist**<sup>®</sup>
- Steering** Electric Power Steering (EPS) Assist
- Suspension, 4-Wheel Independent** Short/long arm with coil-over strut and stabilizer bar, front; modified multilink with coil-over shock absorber and stabilizer bar, rear

#### EXTERIOR

- Door Handles** Body-color with chrome strip
- Exhaust** Rear fascia integrated with dual chrome-finish outlets
- Fueling System** Capless
- Glass** Deep-tinted on rear and tailgate windows
- Grille** Bright Galvano finish
- Headlamps** Projector-beam tungsten halogen, with automatic on/off
- LED taillamps and Center High-Mounted Stop Lamp (CHMSL)
- LED Daytime Running Lamps
- Mirrors** Body-color, outside heated, power-adjustable and manual-folding
- Roof Rails** Bright brushed aluminum
- Spoiler** Rear
- Trailer Package** Includes hitch and wiring harness
- Windshield** Acoustic laminated
- Wipers** Front intermittent, rear intermittent with washer
- Wheels** 18" aluminum with Blade Silver painted finish (see foldout for more details)
- Wheel** spare, 18" x 4.5" (45.7 cm x 11.4 cm) steel

#### INTERIOR

- Adaptive Remote Start**
- Air Filter** Cabin
- Antenna** Roof-mounted
- Audio System** 2 USB charge and playback ports<sup>1</sup> in the center console, 2 charge-only in back of center console and auxiliary input jack
- Bluetooth<sup>®2</sup> Hands-Free Calling and data service streaming with Natural Voice Recognition
- Bose<sup>®</sup> 8-speaker premium audio system
- Cadillac user experience**<sup>3</sup> Information and media control system with AM/FM stereo, HD Radio and 8" full-color diagonal LCD capacitive multi-touch screen, 4 USB ports<sup>1</sup> (see above), 2 auxiliary power outlets, auxiliary input jack, Natural Voice Recognition and Phone Integration capability with Apple CarPlay<sup>™4</sup> and Android Auto<sup>™5</sup>
- Climate Control** Dual-zone automatic with individual settings for driver and front passenger
- Compass Display**
- Console** Front center floor console with shifter, integral armrest, storage and dual cupholders
- Cruise Control** Electronic, with set and resume speed
- Door Locks** Power programmable includes lockout protection and delayed locking, with rear child security
- Driver Information Center** With 3-window configurable color display
- Floor Mats** Carpeted front and rear
- Gauge Cluster** 5.7" color display, includes driver personalization, warning messages and vehicle information
- Glove Box** Lockable
- Horn** Dual-note tone
- Keyless Access** Includes 2 remote transmitters enabling Push-Button Start
- Liftgate** Rear power with memory height
- Mirror, Inside** Rearview manual day/night
- Rear Park Assist**<sup>6</sup>
- Rear Seat Reminder**<sup>7</sup>
- Rear Vision Camera**<sup>8</sup>
- Rear-Window Defogger**

#### Seating

- 5-passenger; front bucket seats with 8-way power driver adjustment
- Leatherette seating
- Seat adjuster, front passenger, 6-way power
- Second-row 40/20/40 with slide and recline and cargo area fold-down release
- Steering Column** Power-tilt and -telescoping
- Steering Wheel** Leather-wrapped 3-spoke,
- Universal Home Remote** Includes garage-door opener, 3-channel programmable
- Windows** Power with express-up and -down and express-down for rear

#### SAFETY AND SECURITY

- Airbags**<sup>9</sup> Driver and front-passenger front-impact, driver-side knee; Passenger Sensing System; driver and front-passenger seat-mounted side-impact for thorax and pelvic protection; front-/second-row head-curtain for all outboard seating positions
- Compact Spare Tire**
- StabiliTrak** Electronic Stability Control System
- Tire Inflation Kit**
- Tire Pressure Monitoring System** Does not monitor spare tire
- Traction Control-Advanced** Full-range, powertrain and brake modulated

### LUXURY

Enjoy Standard Features + these enhancements:

- Cargo Area** Cargo Management System, adjustable cargo fence and retractable cargo shade
- Driver Awareness Package**<sup>6</sup> Includes Safety Alert Seat, Forward Collision Alert, Following Distance Indicator, Lane Keep Assist with Lane Departure Warning, Front Pedestrian Braking, IntelliBeam headlamps and Low Speed Forward Automatic Braking
- Headlamps** LED, with front parking and cornering lamps
- Lane Change Alert with Side Blind Zone Alert**<sup>6</sup>
- Lighting Accent** Console lighting
- Memory Package** With 2 presets for power driver's seat, outside mirrors, power-tilt and -telescoping steering column and driver personalization features
- Mirror, Inside** Automatic-dimming rearview
- Mirrors, Outside** Heated, body-color, power-adjustable, power-folding with driver-side auto-dimming
- Rear Cross Traffic Alert**<sup>6</sup>
- Seating** Leather seating surfaces, 8-way power-adjustable front-passenger side, driver and front-passenger power lumbar control, driver and front-passenger heated
- Steering Wheel** Auto heated
- UltraView Sunroof** Power, tilt-sliding, electric with express-open over front-row seating and power sunshade with 100% light blockage
- Wipers** Rainsense, front
- Wireless Charging**<sup>9</sup> Inductive charging system for portable devices
- Wheels** 18" aluminum bright machine faced with Light Argent accents (see foldout for more details)

#### AVAILABLE FEATURES

- Bose Studio Surround Sound** 14-speaker system with surround amplifier (Available when the Navigation is ordered)
- Cadillac user experience**<sup>3</sup> **Information and Media Control System with Navigation** AM/FM stereo with embedded navigation, 8" diagonal color information display, 4 USB ports,<sup>1</sup> 2 auxiliary power outlets, auxiliary input jack, Natural Voice Recognition and Phone Integration capability with Apple CarPlay<sup>™4</sup> and Android Auto<sup>™5</sup>
- Climate Control** Tri-Zone Automatic with individual climate settings for driver, passenger and rear passengers
- Rear Seating Heated** Outboard positions

### PREMIUM LUXURY

Enjoy Luxury Features + these enhancements:

- Bose Studio Surround Sound** 14-speaker system with surround amplifier
- Cadillac user experience**<sup>3</sup> **Information and Media Control System with Navigation** AM/FM stereo with embedded navigation, 8" diagonal color information display, 4 USB ports,<sup>1</sup> 2 auxiliary power outlets, auxiliary input jack, Natural Voice Recognition and Phone Integration capability with Apple CarPlay<sup>™4</sup> and Android Auto<sup>™5</sup>
- Climate Control** Tri-Zone Automatic with individual climate settings for driver, front passenger and rear passengers
- Lighting Accent** Light pipes in console, doors and sill plates, Interior, in console and doors
- Rear Seating Heated** Outboard positions
- Seating** Ventilated driver and front passenger
- Suspension** Performance, driver-selectable modes
- Wheels** 20" aluminum with Sterling Silver painted finish (see foldout for more details)

#### AVAILABLE FEATURES

- Driver Assist Package**<sup>6</sup> Includes Adaptive Cruise Control-Advanced, Automatic Seat Belt Tightening, Automatic Parking Assist and Forward and Reverse Automatic Braking
- Wheels** (see foldout for more details) 20" aluminum Ultrabright machine faced with Midnight Silver accents
- 20" 12 spoke aluminum fully polished finish

### PLATINUM

Enjoy Premium Luxury Features + these enhancements:

- Advanced Security Package** Includes locking steering column, door lock and latch shields, self-powered Theft-Deterrent Alarm System, vehicle inclination sensor, vehicle interior movement sensor and locking wheel lugs
- Console, Rear** Floor with controls for audio, HVAC and heated rear outboard seats
- Driver Assist Package**<sup>6</sup> Includes Adaptive Cruise Control-Advanced, Automatic Seat Belt Tightening, Automatic Parking Assist and Forward and Reverse Automatic Braking
- Floor Mats** Premium carpeted front and rear
- Gauge Cluster** 8" color DIC, includes driver personalization, warning messages and vehicle information
- Grille** Unique design with Galvano finish
- Headliner** Microsuede
- Head-Up Display (HUD)**<sup>6</sup>
- Leather Details** On instrument panel, door trim and console
- Liftgate** Power, programmable, hands-free open and close
- Rear Camera Mirror**<sup>8</sup> With lens-cleaning feature
- Seating** Semi-Aniline full-leather with chevron perforated inserts and leather-appointed trim
- Skid Plates** Brushed aluminum, front and rear
- Surround Vision**<sup>5</sup> Bird's-eye view of vehicle
- Wheels** 12" spoke aluminum fully polished finish (see foldout for more details)

**1.** Not compatible with all devices. **2.** Go to my.cadillac.com/learn to find out which phones are compatible with the vehicle. **3.** Cadillac user experience functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. **4.** Vehicle user interface is a product of Apple<sup>®</sup> and its terms and privacy statements apply. Requires compatible iPhone<sup>®</sup> and data plan rates apply. Apple CarPlay is a trademark of Apple, Inc. Siri, iPhone and iTunes are trademarks of Apple, Inc., registered in the U.S. and other countries. **5.** Vehicle user interface is a product of Google<sup>™</sup> and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android<sup>™</sup>-compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. Android Auto is a trademark of Google LLC. **6.** Read the vehicle Owner's Manual for important feature limitations and information. **7.** Does not detect people or items. Always check rear seat before exiting the vehicle. **8.** A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and child safety seat instructions for more safety information. **9.** The system wirelessly charges one PMA- or Qi-compatible mobile device. Some phones have built-in wireless charging technology and others require an adapter/back cover. To check for phone or other device compatibility, see my.cadillac.com/learn or consult your carrier.

## OWNER BENEFITS

Our owners deserve it all. That's why 2019 vehicles are backed by a comprehensive suite of owner benefits.

### ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times. Note: Some photographs in this catalog show vehicles with optional equipment.

### ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

### TIRE SEALANT AND COMPRESSOR KIT

If your vehicle has a tire sealant and compressor kit, it uses a liquid tire sealant to temporarily seal up to a 6mm puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 161 Km of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than 6mm or a tire that has unseated from the wheel. The sealant can only be used on one tire, one time before its expiration date.

### ASSEMBLY

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

### COVERED FOR 4 YEARS/100,000 KM (WHICHEVER COMES FIRST)

Powertrain limited warranty with no deductible, Roadside Assistance Program<sup>1</sup> and Courtesy Transportation Program<sup>1</sup>

### COVERED FOR 4 YEARS/100,000 KM (WHICHEVER COMES FIRST)

Bumper-to-bumper coverage. Tires—defects in material and workmanship; repairs made to correct any vehicle defect; corrosion on body sheet metal panels.

### RUST-THROUGH COVERAGE

Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years and unlimited mileage. Cosmetic or surface corrosion—resulting from stone chips or scratches in the paint, for example—is not included in the rust-through coverage. Application of additional rust-inhibiting materials is not required under the rust-through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

### FLEET ORDERS

Some standard content may be deleted with fleet orders. See dealer for details.

<sup>1</sup>. Roadside Assistance Program and Courtesy Transportation Program are not part of the New Vehicle Limited Warranty. A separate booklet titled, "Warranty and Owner Assistance Information" furnished with each new vehicle provides detailed warranty coverage information. <sup>2</sup>. Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to <https://my.cadillac.com/learnAbout/cadillactires/> or see your dealer.
