X

What defines a life well lived?  
Calculating, planning and contemplating each  
and every detail? Acting spontaneously on a whim?  
Is it enjoying every moment as if it could be your last  
or knowing each moment will last forever?  
Reimagining what happened yesterday, today,  
only to help drive tomorrow?  
Sitting back in total comfort or taking command?  
No matter how you define it, there's always one way  
to recognize that you've lived it.

*THE 2019 XTS*

# AN ACHIEVEMENT OF ITS OWN

You simply can't ignore the fresh exterior design styled in modern elegance and classic Cadillac motifs. From a powerful grille to bold taillamps, the XTS presents striking lines from front to rear.

Step inside and high-design cues are matched by tremendous comfort. Supple leathers and generous space help the driver focus, and passengers can relax, spread out and stay cool or warm to the touch.

## POWER MATCHED BY CONFIDENCE

Enjoy the unexpected confidence and power of the exhilarating V-Sport Platinum model, featuring a 410-hp Twin Turbo V6 engine. Standard on V-Sport Platinum, All-Wheel Drive maximizes stability and handling in less-than-perfect driving conditions.

**Take the chill out of a cold-weather commute.** Enjoy a more comfortable drive when the weather turns cold. With the push of a button, the available heated steering wheel, leather wrapped with wood accents, turns warm to the touch. It is also equipped with tap-up/tap-down controls.

**Space for everything that matters.** With 510 liters of cargo volume,<sup>1</sup> the XTS has generous space for all the things that matter to you.

<sup>1</sup> Cargo and load capacity limited by weight and distribution.

## ROOM THAT'S STRETCHED AND FITTED

Rear passengers enjoy 1016mm of unobstructed leg room, with the option of sumptuous leather seating surfaces or supple yet strong available Semi-Aniline leather.

# STYLE IS FOREVER MOVING FORWARD

Framing a powerful grille, stunning LED headlamps and available Front Cornering Lamps are nestled in each corner. The headlamps emit a crisp, white light, providing illumination superior to traditional lighting. standard illuminating outside mirrors and standard illuminating door handles create a beacon as the driver approaches the vehicle, while available 20" wheels make a powerful statement.

From the rear, bold signature LED taillamps showcase the dramatically sculpted rear profile, while the Cadillac Crest on the trunk becomes a cleverly functioning design detail. Simply press it to release the trunk.

AVAILABLE  
ALLOY WHEELS

The moment you open the door to the 2019 XTS, you're introduced to stunning beauty and comfort. Select from elegant interior trim options that all work together harmoniously. The materials themselves are also quite special. Available Semi-Aniline leather is both supple and strong, and wood trims such as Ebony Lineate are selected for both durability and delight.

Up front, available 22-way adjustable massaging front seats feature power-adjustable seatback bolsters and manual thigh support for true indulgence. Available front seats that both heat and ventilate quickly become something you cannot imagine doing without, as is the specially optimized sound system experienced with the available 14-speaker Bose Studio Surround Sound.

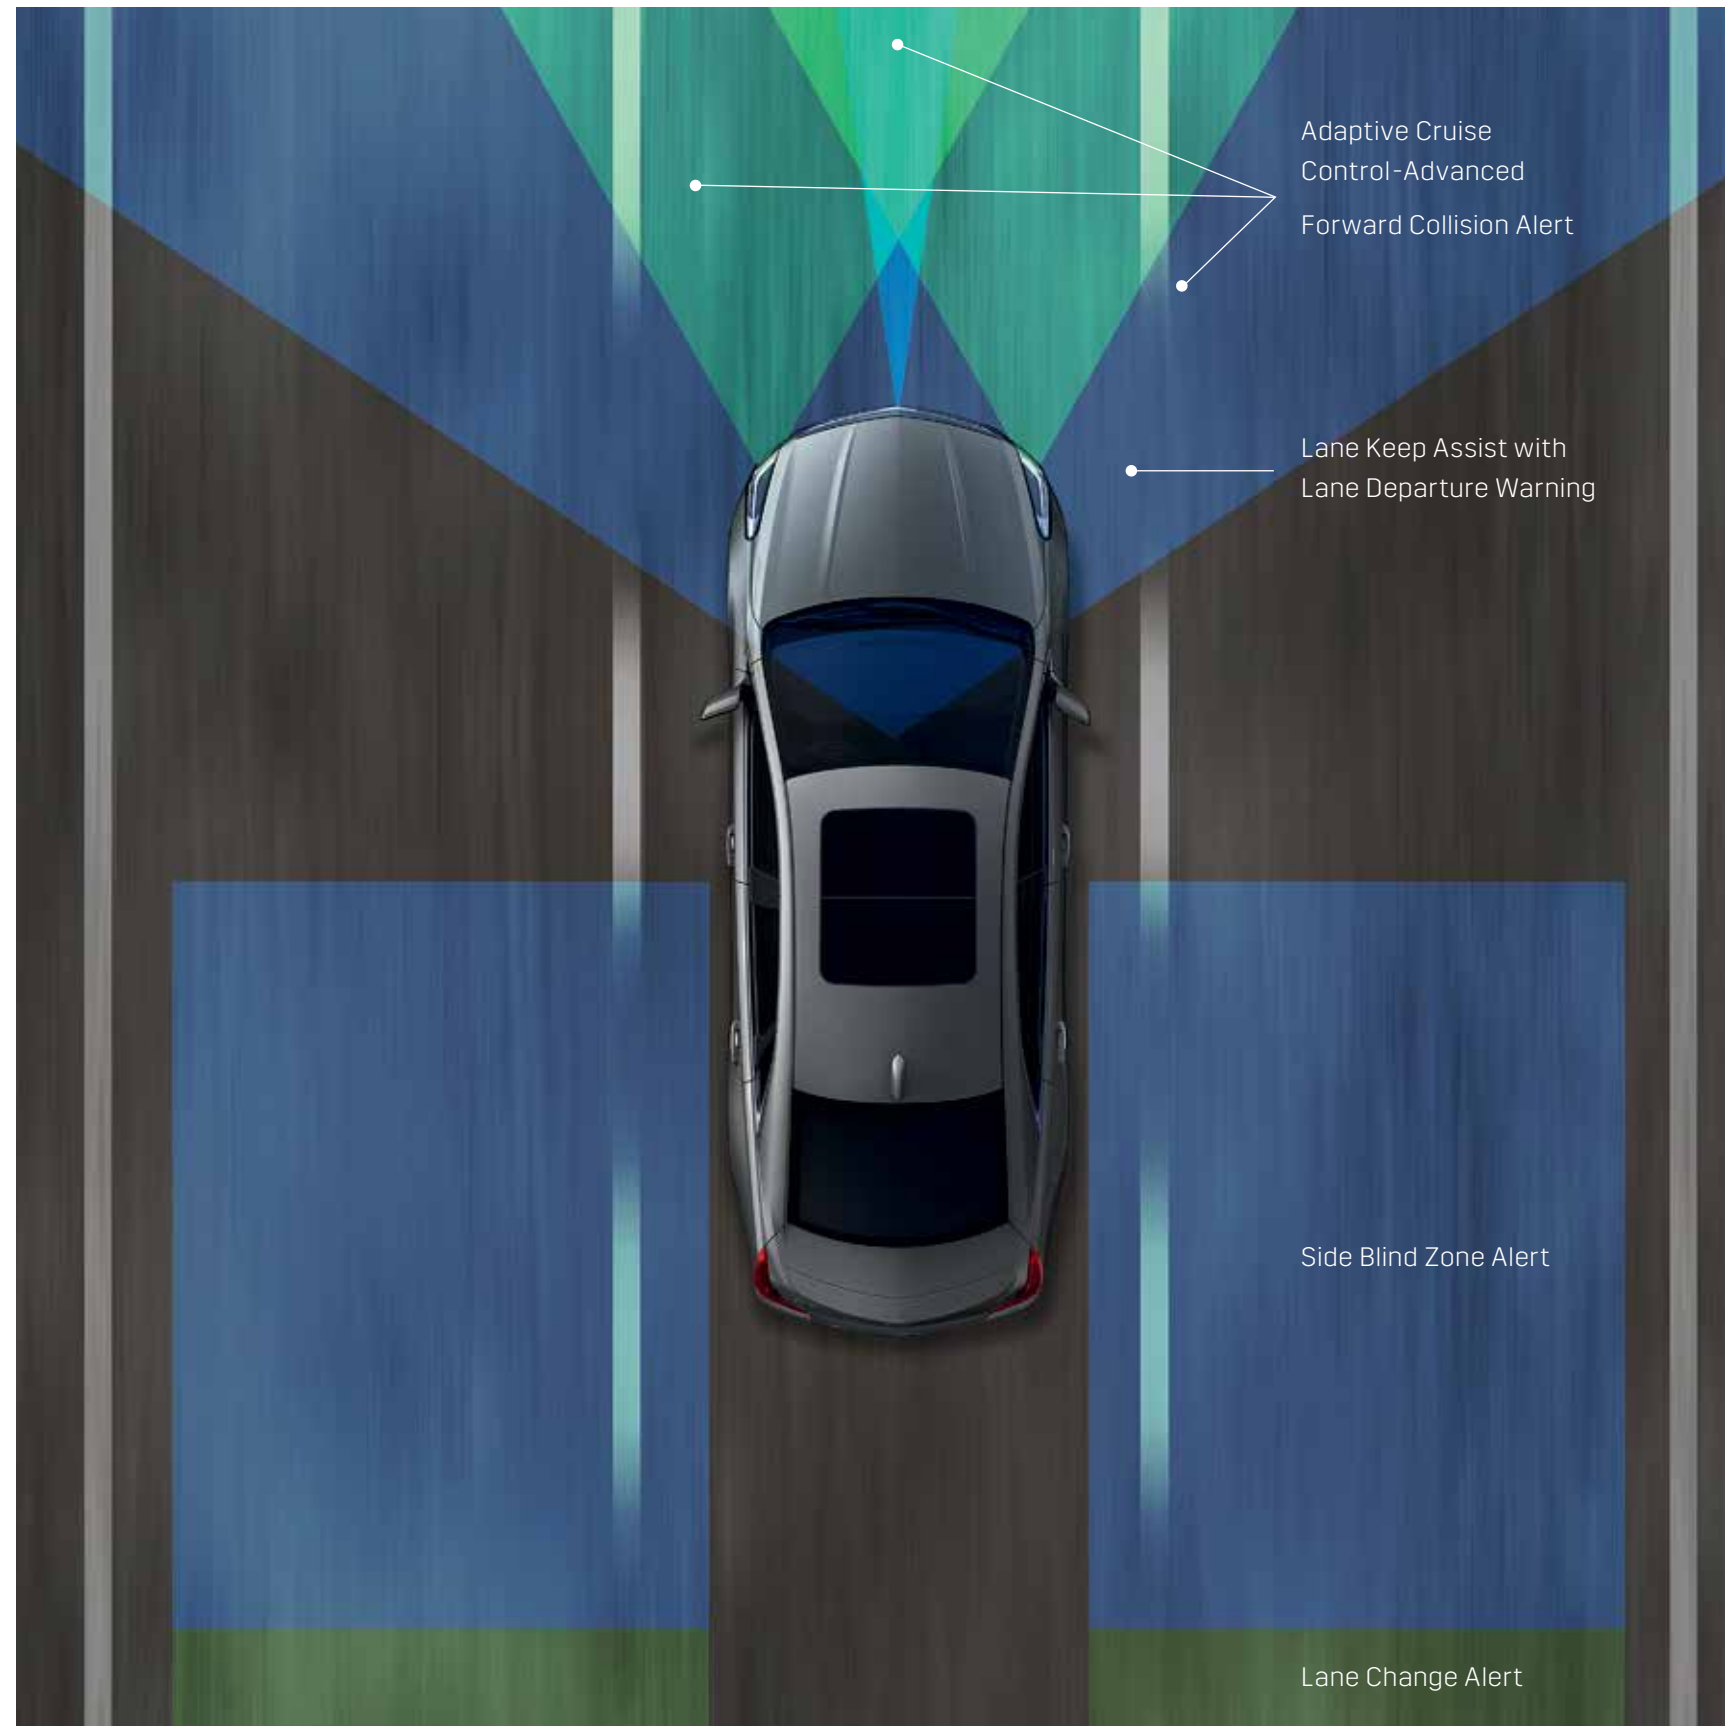

You're also able to select what you see with an available reconfigurable gauge cluster that lets you display driving, entertainment, communications and, if equipped, navigation information. And with the available 12.3" diagonal display, staying informed feels effortless.

# SURROUNDED BY AVAILABLE SAFETY INNOVATIONS

## BE ALERTED EVEN IN REVERSE

When backing out of a parking space, available Rear Cross Traffic Alert warns of oncoming left or right cross traffic.

## WINDSHIELD WIPERS AND BRAKES WORK TOGETHER

Rainsense Wipers automatically engage when rain is detected, adjusting their speed to the rain's intensity.

## TRULY FORWARD THINKING

Available Forward Collision Alert monitors traffic ahead, alerting you if a potential collision with a detected vehicle is imminent.

## HINDSIGHT IS 20/20

The Rear Vision Camera automatically displays a live image of the area behind you on the Cadillac user experience screen. Guiding lines on the image plot out your intended trajectory, helping you to see people and objects that might be in your path.

## TRAVEL THE STRAIGHT AND SMART

The available Lane Departure Warning sends a visual alert in the gauge cluster and a warning pulse through the seat cushion if your vehicle crosses the lane marking.

## AN ATTENTION-GRABBER

Available Lane Change Alert with Side Blind Zone Alert surveys the area well beyond the side blind zone, and illuminates the side-mirror warning icon to alert you if a moving vehicle is rapidly approaching. Available Side Blind Zone Alert monitors your blind zones, so if a vehicle is in the adjacent lane, it also illuminates the side-mirror icon. In both features, if you've activated your turn signal, the icon on the side mirror flashes to alert you.

## GAIN PRECIOUS TIME

Up to certain speeds, available Forward and Reverse Automatic Braking can sense imminent forward and reverse collisions and automatically engage the brakes, if you have not already done so, helping to reduce the severity of the collision. The system may even help avoid a collision at very low speeds.

## A HIGHER LOOK AT WHAT SURROUNDS

Available Surround Vision provides a bird's-eye view of the area immediately surrounding the vehicle when in low-speed Drive or Reverse. This view, projected onto the Cadillac user experience screen, helps increase your awareness when parking or in Reverse.

## STRONG ENOUGH TO CRUMPLE

The ultra-high-strength steel safety cage features strategically placed crumple zones that absorb and manage the energy from a collision, helping preserve occupant space.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

7  
UP TO SEVEN  
CONNECTED DEVICES

**Connectivity is key.** You'll find innovations throughout the vehicle that keep you, your world and your vehicle fully integrated. Take for instance Adaptive Remote Start. Designed within your key fob, it engages the engine from up to 59 meters away and can sense the outside temperature to heat your steering wheel, if equipped, and activate the rear-window defogger when needed.

The Cadillac user experience<sup>1</sup> enables a suite of information and entertainment offerings, including different user profiles for different drivers. It will save your personal settings when it comes to climate, audio, vehicle settings and available 3D GPS Navigation, all at your command.

1. Cadillac user experience functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices.

**Take control with an exhilarating amount of performance options.**

Cadillac's available Magnetic Ride Control reads the road up to 1000 times a second, automatically adjusting the suspension to road quality and weather conditions. You will feel highly responsive handling regardless of road conditions. Utilizing lightweight aluminum calipers, Brembo® front brakes offer a host of advantages, including responsive stopping power and fade resistance.

Consider two remarkable power plants. The standard 304-hp, 3.6L V6 engine features direct injection for power and efficiency. The available V-Sport Platinum model is equipped with a 410-hp Twin Turbo V6 engine for exhilarating power. Both engines are paired with AWD for greater traction and all-weather performance.

2019 XTS LUXURY FEATURES

DRIVETRAIN

**Engine** 3.6L V6 CVVT Direct-Injection with 304 hp @ 6800 rpm and 358 Nm of torque @ 5300 rpm  
**Transmission** 6-Speed Automatic  
**Drivetrain** All-Wheel Drive, Advanced with Torque Vectoring Includes electronic Limited-Slip Differential (eLSD)

CHASSIS AND SUSPENSION

**Brakes** Brembo® front, 4-wheel vented disc with Antilock Braking System (ABS) and Duralife rotors; featuring Auto-Dry functionality and Intelligent Brake Assist  
**StabiliTrak Electronic Stability Control System**  
**Steering** Speed-sensitive, variable-effort power rack-and-pinion  
**Suspension, 4-Wheel Independent** Front: HiPer Strut, direct-acting stabilizer bar; Rear: independent linked H-arm

EXTERIOR FEATURES

**Capless Fueling System**  
**Exhaust** Dual-outlet stainless-steel through fascia design  
**Keyless Access** Passive entry on both front and rear doors  
**Lighting**  
 LED headlamps, Twilight Sentinel automatic operation, flash-to-pass  
 Daytime Running Lamps  
 LED taillamps, Center High-Mounted Stop Lamp (CHMSL)  
**Mirrors** Outside heated power-adjustable and auto-dimming, body-color, power-folding, wide field of view on driver's side, convex glass on passenger side, with turn signal indicators and puddle lamps  
**Wheels** 19"x8.5" Sterling Silver premium painted finish aluminum (see page 27 for details)  
**Windshield Wipers** Automatic Rainsense with moisture detection

INTERIOR FEATURES

**Adaptive Remote Start** Activates heated/ventilated seats (if equipped), climate control system and rear defroster  
**Armrest** Center; rear with pass-through, dual cupholders and storage  
**Audio System** 8-speaker Bose® sound system with amplifier  
**Cadillac User Experience<sup>1</sup>** Information and media control system, AM/FM stereo with 8" diagonal color information display, one type A and one type C full function USB's, personalized profiles for each driver's setting and Natural Voice Recognition

**Climate control** Tri-zone automatic with individual climate settings for driver, front passenger and rear passengers, dual-zone front and auxiliary rear mode and temp controls  
**Connectivity**  
 Bluetooth® recognizes up to 10 Bluetooth-enabled smartphones<sup>2</sup>  
 3 USB ports<sup>3</sup>  
 Auxiliary jack

**Console, Front Center** With storage bins, storage tray and dual hidden cupholders  
**Cruise Control** Electronic, with set and resume speed  
**Driver memory** Recalls<sup>2</sup> "presets" for 8-way power driver seat, outside mirrors and power tilt and telescoping steering column  
**Door Locks** Power-programmable with lockout protection  
**Electronic Parking Brake**  
**Floor Mats** Carpeted front and rear  
**Gauge Cluster** Includes color Driver Information Center (DIC)  
**Glove Box** Electronic push-button opening  
**Lighting** Illuminated entry and courtesy  
**Mirror** Automatic-dimming rearview

**Power outlet** 230-volt, located on rear of front console  
**Push-Button Start** Includes two remote transmitters  
**Rear Vision Camera**  
**Retained Accessory Power** Power windows, audio system, mirrors, UltraView® Sunroof (if equipped) and climate control remain operational after ignition is switched off for 10 minutes or until a door is opened

**Seating**  
 Front bucket  
 10-way power driver and front passenger seat adjusters  
 4 way manual head restraint adjust  
 Driver 4-way power lumbar control  
 Rear 60/40 split-folding, with lockable rear pass-through

**Shift Lever<sup>7</sup>** Leather-wrapped  
**Steering Column** Power-rake wheel, telescoping  
**Steering Wheel** Leather-trimmed with wood accents; includes fingertip controls for Cadillac user experience, audio, Bluetooth for phone interface and cruise control  
**Sunshade** Power, rear window  
**Visors** Driver and front passenger illuminated vanity mirrors  
**Windows** Power, with express-up/-down, includes rear passenger lockout  
**Wireless Charging<sup>8</sup>**  
**Wood Trim** Includes authentic wood on steering wheel, console

SAFETY AND SECURITY

**Air Bags<sup>4</sup>** Dual-stage frontal, side-impact; knee and head-curtain side-impact for driver and front passenger; head-curtain and seat side-impact for outboard rear passenger, Passenger Sensing System, front passenger seat  
**Park Assist** Front and rear  
**Safety Belts** Lap and shoulder belts for all positions with belt-to-seat mounting and pretensioners for driver and front passenger, rear outboard comfort guides  
**Theft-Deterrent System**  
 Engine immobilizer  
 Audible content  
**Tire Pressure Monitoring System**  
**Tire, Compact Spare**  
**Traction Control** All-speed with brake and engine intervention

AVAILABLE FEATURES

**Driver Awareness Package** Includes Lane Departure Warning, Following Distance Indicator, Lane Change Alert with Side Blind Zone Alert, Rear Cross Traffic Alert, Forward Collision Alert, Surround Vision, Low Speed Forward Automatic Braking  
**Cadillac User Experience Information and Media Control System with Embedded Navigation** AM/FM stereo with 8" diagonal color information display, one type A and one type C full function USB's, personalized profiles for each driver's setting and Natural Voice Recognition  
**UltraView® Sunroof** Power, tilt-sliding, electric with express open/close over front-row seating and power sunshade

V-SPORT PLATINUM

Enjoy Luxury Features + these enhancements:

**Engine** 3.6L V6 CVVT DI and Twin Turbo with 410 hp @ 6000 rpm and 500 Nm of torque @ 1900 rpm  
**All-Wheel Drive, Advanced With Torque Vectoring**  
**Bose® Studio Surround Sound System** 14-speaker with SurroundStage signal processing and AudioPilot® noise compensation technology  
**Cadillac User Experience Information and Media Control System with Embedded Navigation** AM/FM stereo with 8" diagonal color information display, one type A and one type C full function USB's, personalized profiles for each driver's setting and Natural Voice Recognition  
**Cruise control** Adaptive, full-speed range  
**Driver Assist Package** includes Adaptive Cruise Control, Automatic Collision Preparation and Front and Rear Automatic Braking  
**Driver Awareness Package** Includes Lane Departure Warning, Following Distance Indicator, Lane Change Assist with Side Blind Zone Alert, Rear Cross Traffic Alert, Forward Collision Alert, Surround Vision, Low Speed Forward Automatic Braking  
**Floor Mats** Premium  
**Forward and Reverse Automatic Braking**  
**Gauge Cluster** 12.3" color, reconfigurable with color Driver Information Center  
**Headliner** Microfiber sueded, including sail panels and pillars  
**Head-Up Display** Full-color, reconfigurable  
**IntelliBeam** with adaptive forward lighting  
**Leather-Wrapped Instrument Panel** Door trim upper and floor console  
**Magnetic Ride Control** Dual-mode  
**Memory Package** recalls 2 driver "presets" for power driver seat, outside mirrors, power tilt and telescoping steering column and 2 front passenger "presets" for power passenger seat  
**Rear Armrest** With audio controls and sunshade control  
**Seating**  
 Front bucket  
 22-way adjustability with massage feature and front passenger seat adjuster  
 Semi-Aniline, mini-perforated inserts, full leather  
 Driver 4-way power lumbar control  
 Rear 60/40 split-folding, with lockable rear pass-through  
**Sunshade** Manual, rear side windows  
**Sill Plates** Illuminated, front  
**UltraView® Sunroof** Power, tilt-sliding, electric with express open/close over front-row seating and power sunshade  
**Wheels** 20" premium painted finish (see page 27 for details)

1. Cadillac user experience functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. 2. Go to my.cadillac.com to find out which phones are compatible with the vehicle. 3. Not compatible with all devices. 4. Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information. 5. Before making a lane change, always check the Side Blind Zone Alert display and the side and inside rear mirrors, look over your shoulder for vehicles and hazards, and activate the turn signal. 6. Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. 7. Not available on on the Luxury trim with the interior color (AFF) Kona Brown with Jet Black accents. 8. The system wirelessly charges one PMA- or Qi-compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. To check for phone or other device compatibility, see my.cadillac.com/learn or consult your carrier.

## OWNER BENEFITS

Our owners deserve it all. That's why 2019 vehicles are backed by a comprehensive suite of owner benefits.

### AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

### ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes and models.

### ASSEMBLY

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

### A NOTE ON CHILD SAFETY

Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

### IMPORTANT WORDS ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for complete details. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims are based on GM Mid-Car Sedan segment and latest available competitive information. Excludes other GM vehicles.

### FLEET ORDERS

Some standard content may be deleted on fleet orders. See dealer for details.

### NEW-VEHICLE LIMITED WARRANTY

COVERED FOR 4 YEARS/100,000 KM (WHICHEVER COMES FIRST) Powertrain limited warranty with no deductible, Roadside Assistance Program<sup>1</sup> and Courtesy Transportation Program.<sup>1</sup>

COVERED FOR 4 YEARS/100,000 KM (WHICHEVER COMES FIRST) Bumper-to-bumper coverage. Tires—defects in material and workmanship; repairs made to correct any vehicle defect; corrosion on body sheet metal panels.
