XT6

The first of its kind.
The improbably spacious.
The impressively stylish.
And the effortlessly capable.
Beautifully crafted from every angle.
Discover the XT6.

2021 XT6

UNVEIL THE UNBELIEVABLE

Enjoy unique style designed to stand out from the crowd. Featuring, bold and aggressive lines that exude confidence and project purpose on the road. With optimized aerodynamics, built to increase performance and improve overall efficiency. This luxurious 3-row crossover embodies the conviction that comes with its name, in typical Cadillac style and sophistication.

More sky, less limits, if you like, bask in the sun while you drive with the UltraView® sunroof that allows front and rear seat passengers to enjoy stunning views. The sunroof is tinted with UV sun-ray protection, and opens and closes with the push of a button.

Rear Camera Mirror Available with Enhanced Visibility and Technology package on the Premium Luxury and Sport trim, is built-in with Cadillac's innovative Rear Camera Mirror that can stream video through it. Switch to this mode and enjoy a less-obstructed view that gives you 300% more field of view. Switch back to the standard view, all with just a toggle.

Night Vision Available with the Platinum package on Premium Luxury and Sport, the XT6 infrared sensors locate and notify you of potential hazards ahead, so you can drive confidently in the dark.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for important feature limitations and information.

RALLY YOUR CREW

Set out on your next journey in the luxurious XT6. With 3 rows of comfortable seating, there's enough room for your family, friends and then some more. Available in a captain's chair configuration, this first of its kind Crossover flaunts a stylish, yet spacious interior.

KICK BACK IN COMPLETE COMFORT

What makes the XT6 special is its attention to the finest details. From exotic wood and carbon fiber to its leather appointments and metallic accents; the premium materials used is proof that the XT6 belongs to a class of its own.

Take comfort in your choice of color and choose from Jet Black, Cirrus Leather and Maple Sugar interiors, complimented by wooden or carbon fiber accents.

DRIVING PLEASURE AT YOUR LEISURE

If compromising has never been an option, settling has never been your style and the ordinary has never impressed; the XT6 is built for you. This undeniably stylish crossover is the perfect blend of high performance and impeccable design. Seamlessly flowing exterior lines accentuated by the slick grille, vertical headlamp accents and chrome highlights are some of the features that make the XT6 command respect wherever it goes.

Choose between the Luxury, Sport or Premium Luxury Trim and have your XT6 match your personality to the tee. Your XT6 grille is available in a stylish high-gloss black and Galvano-finish and can be customized with an array of exclusive wheels and appointments, all in different finishes to suit your style.

YOUR CADILLAC – CONNECTED AND PROTECTED*

Take ownership to the next level with 10-years of standard connectivity offering Vehicle Diagnostics, Notifications and Cadillac Smart Driver once on-boarded. Includes a 2 month trial of the OnStar Protect & Connect subscription plan and 3GB/90 day Wi-Fi data. Take advantage of an additional month by subscribing before the trial ends.

OnStar - Peace of Mind

Safety and security services to give you and your passengers peace of mind on the road. Specially trained Advisors who are ready to help 24/7.

AUTOMATIC CRASH RESPONSE

Timing is everything in the moments after a collision. If you're in a crash, built-in sensors can automatically connect an OnStar Advisor to your vehicle — even if you aren't able to call for help yourself. They will send the right help and stay with you until help arrives.

EMERGENCY SERVICES

Assistance in an emergency is only a button push away. Whether you're having a medical emergency or need critical assistance, OnStar Advisors will be available 24/7 to help.

STOLEN VEHICLE ASSISTANCE

Layers of protection for your vehicle that help make vehicle theft much more difficult. OnStar Advisors who can work with local authorities to recover your vehicle quickly and safely.

ROADSIDE ASSISTANCE

If you have a flat tire, run out of fuel or find yourself stranded, Advisors can assist with your details to get you the right help.

GOOD CITIZEN

You can use OnStar to be a good citizen and help others in time of need.

Cadillac Connected Services – Convenience

Designed to create a seamless bridge between your Cadillac and your connected life. Remote commands, In-Vehicle Apps access, Wi-Fi hotspot and diagnostic tools offer you an elevated ownership experience.

REMOTE KEY FOB

While on the go, keep your vehicle in tune with the myCadillac App. Send remote commands, schedule your vehicle's maintenance and more. Available for download on App Store or on Google Play™.

HOTSPOT

Your available built-in Wi-Fi hotspot* helps you stay connected on the road. Connect up to seven devices and get a reliable connection up to 15 meters away.

CONNECTED NAVIGATION

When it's time to get going, you want to get there without any hiccups. And now with available cloud-connected point of interest, destination searches & real-time internet-based traffic updates, you easily can.

DESTINATION DOWNLOAD

Enjoy the convenience of an OnStar Advisor helping you find where you need to go and sending the destination pin to your vehicle, while you keep your eyes on the road.

THE WORLD AT YOUR WHEEL

What would you consider premium? Connectivity, comfort, clean design or futuristic technological features? How about all of it. The XT6 is designed so meticulously that everything you need is well within reach. Be it Wireless Charging¹, Rotary controller, the Available Navigation System or the Available Rear Camera Mirror, this drive has it all.

But why stop there? The remarkably well-crafted interior perfectly blends innovative technology, comfort and convenience. The Cadillac User-Experience in the XT6 flaunts a standard Bose® Premium 8-Speaker System and available 14-Speaker System that is compatible with Wireless Apple CarPlay™² and Wireless Android™³ Auto. With access to phone, music, wireless charging¹ and other additional features within comfortable reach; your world is just a fingertip away.

Requires compatible iPhone® and data plan rates apply. Apple CarPlay is a trademark of Apple, Inc. Siri, iPhone and iTunes are trademarks of Apple, Inc., registered in the U.S. and other countries. ³. Vehicle user interface is a product of Google™ and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android™-compatible smartphone. Android Auto is a trademark of Google LLC.

Top: Wireless Apple CarPlay™ & Wireless Android™ Auto, Wireless Charging. Bottom: Bose® Speakers.

SURROUNDED BY INNOVATIVE SAFETY FEATURES

DRIVEN BY SAFETY

Safety first. Second. Third. Fourth. And fifth. The XT6 is adeptly built with safety features like available Night Vision, Forward Collision Alert, Lane Change Alert with Slide Blind Zone Alert, available Rear Pedestrian Alert and more. To keep you safe on every road, the XT6 is built with Automatic Emergency Braking, Safety Alert Seat, Front & Rear Park Assist and other such features that make driving an absolute pleasure.

FRONT PEDESTRIAN BRAKING

The Front Pedestrian Braking system alerts you via haptic seat feedback and automatically applies the brakes or enhances driver braking to reduce collision severity or even avoid detected imminent pedestrian collisions.

NIGHT VISION

With the available Night Vision, the XT6 infrared sensors locate and notify you of potential hazards ahead, so you can drive confidently in the dark.

LANE KEEP ASSIST

Lane Keep Assist with Lane Departure Warning, provides gentle steering wheel nudges to help avoid unintentional lane drifting.

LANE CHANGE ALERT

The Lane Change Alert with Side Blind Zone Alert, standard on Premium Luxury and Sport trims, provides side-mirror alerts when a moving vehicle is detected or rapidly approaching your side blind zone.

FORWARD COLLISION ALERT

The Forward Collision Alert monitors traffic ahead, alerting you if a potential collision with a detected vehicle is imminent, while the Following Distance Indicator shows the following time to the vehicle ahead (in seconds) in the Driver Information Center (DIC).

REAR CROSS TRAFFIC ALERT

The Rear Cross Traffic Alert, standard on Premium Luxury and Sport trims, notifies you via haptic seat feedback to detected left- or right-cross traffic behind you when in Reverse mode.

REVERSE AUTOMATIC BRAKING

Up to certain speeds, available Reverse Automatic Braking can sense imminent collisions and automatically engage the brakes if you have not already done so, helping to reduce the severity of the collision. The system may even help avoid a collision at very low speeds.

AUTOMATIC CRASH RESPONSE*

In severe crashes, built-in vehicle sensors can automatically send an alert to OnStar, and a live Advisor is automatically connected into the vehicle to speak with its occupants.

STOLEN VEHICLE ASSISTANCE*

Working with local authorities, a Remote Ignition Block signal can be sent to a stolen vehicle, preventing it from being restarted once the engine has been turned off.

Once local authorities have clear sight of the vehicle and indicate conditions are safe to do so, an Advisor can activate Stolen Vehicle Slowdown, bringing the vehicle to an idle speed with steering and braking functions intact.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

*. Standard Connect services are available for 10 years. OnStar and connected services vary by vehicle model and require active service plan, working electrical system, cell reception and GPS signal. Visit my.cadillacarabia.com to explore available services and plans.

POWER ON-DEMAND

Hidden away beneath all the beauty of the XT6 lies a beast. This luxurious crossover is built with a powerfully advanced V6 engine, with Variable Valve Timing and Active Fuel¹ management for a truly exhilarating experience. Its 9-Speed Automatic transmission is optimized for efficiency and torque delivery, so you stay in control of the wheel, always.

Make your drive more engaging and spirited with the refined suspension. Or shift into high gear with the Sport Control AWD that provides a unique calibration with an active suspension and faster steering rack. And if you want it all, enjoy the multiple drive modes in the XT6 that respond to changing road conditions, support different driving dynamics that adapt to you. All with just the press of a button.

Cadillac User Experience with embedded navigation

¹. Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay is a trademark of Apple, Inc. Siri, iPhone and iTunes are trademarks of Apple, Inc., registered in the U.S. and other countries. ². Vehicle user interface is a product of Google™ and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android™-compatible smartphone. Android Auto is a trademark of Google LLC. ³. Read the vehicle Owner's Manual for important feature limitations and information. ⁴. Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. Air bag inflation can cause severe injury or death to anyone too close to the air bag when it deploys. Be sure every occupant is properly restrained with seat belts. See the Owner's Manual for more information. ⁵. The system wirelessly charges one PMA- or Qi-compatible mobile device. Requires compatible smartphone and data plan rates apply. To check for phone or other device compatibility, see my.cadillac.com.

OWNER BENEFITS

Our owners deserve it all. That's why 2021 vehicles are backed by a comprehensive suite of owner benefits. To learn more, visit [cadillac.com/ae-en/owner-resources](https://www.cadillac.com/ae-en/owner-resources)

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes and models.

ASSEMBLY

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

A NOTE ON CHILD SAFETY

Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD DRIVING INFORMATION

Please go to [cadillac.com](https://www.cadillac.com) and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

IMPORTANT WORDS ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for complete details. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-Lux Car segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS

Some standard content may be deleted on fleet orders. See dealer for details.
